Building

Received a mark-up with ideas for set up for the building.

#1. Set up like the building is now.

Design was off a bit so I marked it up and sent it back with a more accurate depiction of what we would need.

#2. Plan shows all offices to the back with 1 shared window at the front.

#2 is a No: Selectmen do not support this design

- * Meeting space will be upstairs
- * design includes an elevator

- * Multi Use ideas for the upstairs

plays, fund raising functions etc.....

- * Partial invoice: \$ 1,375 ^{1 space needs area program} ^{2 proposed use Concept design}

Motion: Johnson motion to pay invoice

Second: Soc second
