7:00 PM

McKinney called the meeting to order and had everyone stand for the Pledge of Allegiance. The Board reviewed the minutes from May 14/19. **Bennett** motioned to approve the minutes as written seconded by **Berry**. All were in favor, the motion passed. The Board had a discussion on fire protection and the benefits of sprinkler systems, not only for the homeowner but also for the safety of the firemen.

7:30 PM Selectman Tim Berry, Master Plan Discussion

Berry explained that Selectman Roberge is responsible for updating the Master Plan on the town website. She wants to receive a copy of the Master Plan with what has been reviewed, approved and dated so it can be used for planning in the future. **McKinney** noted that the two chapters we gave, the Natural Resources and Land Use chapters are probably the only ones revised since 2010. We have the Facilities Chapter almost complete; it does need some final revisions. **McKinney** will be speaking with **Schwarz** about the changes needed. **Berry** will relay that information to Roberge.

7:45 PM

As there was no further business before the Board, **Bennett** motioned to adjourn seconded by **Berry**. All were in favor, the motion passed.

Respectfully submitted,
 Joan Cleary
