

MONT VERNON POLICE

July - September 2022

FROM THE CHIEF

I want to start by thanking everyone who gave positive input on our quarterly newsletter. I feel it's a great way for our community to see some of the activity our officers are doing within the Town of Mont Vernon.

Our department is currently facing an issue with staffing as Officer Jason Johnson is currently at the police academy in Concord and Officer Kris Wolf has been sent to the southern border with the NH National Guard. Because of this, we are currently down two full time officers. Fortunately, we have had great interest in potential police officer candidates for part-time positions and have been able to hire two new officers to assist us with our staffing needs. Officer Casey Morgan has completed his field training and is on solo patrol and we will be swearing in an additional officer within the coming weeks.

Although we have been short staffed, we will continue to provide all services to the community.

A BIG THANK YOU TO THE DALAND MEMORIAL LIBRARY

The Daland Memorial Library invited the Mont Vernon Police Department to be part of their "Senior Summer Session." Chief Slavin and Officer Reppucci spoke about the numerous programs the police department offers to seniors, current trends in scams, and were able to receive valuable feedback from the community. It was a pleasure to be part of this and we hope to be back next year!

Pictured here from left to right is Officer Reppucci, Chief Slavin, and JoAnn Kitchel of the Daland Memorial Library.

OFFICER KRISTOPHER WOLF WILL BE HEADED TO TEXAS WITH THE N.H. NATIONAL GUARD

Officer Kris Wolf, who is a full-time patrolman with the police department, is headed to Texas with the NH National Guard to assist with the border. Officer Wolf will be in Texas for up to a year and we wish him a safe and speedy return.

GRANTS

Our department has been awarded grants from the NH Office of Highway Safety. These grants will allow additional patrols aimed at stopping distracted drivers on our roadways. More specifically, our department will be looking for intoxicated drivers and drivers using their cell phones while operating a motor vehicle.

TRAINING

This quarter, officers attended training in de-escalation techniques, ethics, implicit bias, handcuffing refresher, hazardous materials, hostage negotiation, and impaired driving, amongst others. Officers also conducted active shooter training at the Mont Vernon Village School. As we have stated in the past, training is a big focus of our department. Our officers continually train above and beyond the annual training requirements set forth by the state to ensure we have professional officers ready for any type of investigation, emergency, or crisis that may occur.

OFFICER JASON JOHNSON IS CURRENTLY ATTENDING THE 190TH NH POLICE ACADEMY

On August 1st, Officer Jason Johnson, who is a full-time patrolman with the Mont Vernon Police Department, began attending the 16-week police academy in Concord, NH. Officer Johnson will be graduating November 18, 2022.

FROM THE VAULT

The end of an era with the last Crown Vic leaving our fleet to be replaced with the more modern Ford Taurus. As you can see our graphic pattern was also updated.

A BIG THANK YOU TO ALL WHO HELPED PUT THIS YEAR'S LAMSON FARM DAY TOGETHER

It was great to be part of this year's Lamson Farm Day after a couple of years off. We're always thankful to be part of this event. Hopefully, all the children had a chance to tour the inside of the cruiser!

Pictured here is Chief Slavin giving high-fives to the children as they would pass his post.

SERVING LUNCH TO THE STUDENTS AT THE VILLAGE SCHOOL

Although we are short staffed, we try our best to keep with the tradition of serving lunch to the children of the Mont Vernon Village School.
